TERMS and CONDITIONS

2. Authorized Users

AIP grants to the Licensee and Authorized Users at the Licensee's Authorized Site online access to the Scitation service, including each Online Journal in Section 1. This grant extends only to the Licensee and such Authorized Users individually and may not be transferred to, or extended to, others. For purposes of this License, an "Authorized Site" is a localized site (one geographical location) that is under a single administration. For an organization with locations in more than one city, each city is considered to be a different site. For an organization that has multiple locations in the same city that are administered independently, each location is considered to be a different site. No access from remote campuses or remote sites and no consortia or other forms of subscription sharing are allowed under this License. (If you are seeking online access for multiple sites, please contact the Scitation Customer Service Office at help@scitation.org or phone 1-800-874-6383.)

“Authorized Users” means only the employees, faculty, staff, and students officially affiliated with the Licensee at the Authorized Site, and persons with legal access to the library’s collections and facilities at the Authorized Site, using an IP address within the range identified in the Ap-pendix (page 5). Authorized Users may be persons remote from the Licensee’s physical location whose access is ad-ministered from the Authorized Site, but not persons at remote sites or campuses with separate administrations. For example, an employee of the Licensee is considered to be an Authorized User when accessing the Licensee’s net-work from home or while traveling to another city; how-ever, employees of a branch campus or facility in another city are not considered to be Authorized Users.

The Licensee will exercise reasonable vigilance and shall be responsible for all access control and security measures necessary to ensure that the Licensee’s IP addresses are not used to access Scitation by other than Authorized Us-ers. The Licensee warrants and represents that common and reasonable methods will be used to inform Authorized Users of general terms and conditions for the use of online information products that are consistent with this License. Furthermore, the Licensee will make every attempt to en-force the terms of this License upon receiving information from AIP or any other source that reasonably indicates that one or more Authorized Users is in violation of the terms of this License.

3. IP Addresses

Authorized Users will be recognized and authorized by their Internet address. IP addresses and/or address ranges for the Licensee are indicated in the Appendix.

4. Permitted Use

The Licensee and Authorized Users are permitted online access to Scitation and the Online Journals indicated in Section 1, and may download, save, or print text, search results, or other information from Scitation solely for the private use, teaching or research of the Licensee and the Authorized Users. The Licensee and Authorized Users may only use this online access in a way that conforms to all applicable laws and regulations.

AIP grants the Licensee and Authorized Users permission for brief quotations from the content of Online Journal articles with the customary acknowledgment of the source, and to copy and transmit content from individual Online Journal articles in “person-to-person” and non-systematic scholarly exchanges of information between Authorized Users and specific individuals.

The Licensee specifically agrees that use by the Licensee or Authorized Users other than indicated above is a viola-tion of the terms of this License.

Interlibrary loan: AIP-prepared electronic article files may not be transmitted in their original digital form to any other institution or to a non-Authorized user. A hard copy printed from the electronic files of the journal(s) may be supplied to another institution by mail or fax or secure transmission using Ariel or its equivalent, whereby the electronic file is deleted immediately after printing, pro-vided the institution is not-for-profit and within the same country as the Licensee. The supply of such copies must conform to CONTU guidelines or similar restrictions to "fair use" provisions under copyright law.

5. Prohibitions on Certain Uses

Altering, recompiling, systematic or programmatic copy-ing, reselling, redistributing, publishing or republishing (beyond the brief quotations permitted under Section 4) of any journal text, output, search results, or other informa-tion from Scitation, or any portion thereof, including without limitation, copyright, proprietary and/or other le-gal notices contained therein, in any form or medium is prohibited. Systematic or programmatic downloading (e.g., the use of automated "robots" or otherwise downloading or attempting to download in a short time period large amounts of subscribed-to or unsubscribed-to Scitation material such as all abstracts and/or full text arti-cles from entire journal issues or extensive search results), service bureau redistribution services, printing for fee-for-service purposes and/or the systematic making of print or electronic copies for transmission to non-Licensees or non-subscribing institutions are prohibited. For example, the use of the online journals for document delivery ser-vices other than "interlibrary loan," as described in section 4, is prohibited. Downloading portions of Scitation or Online Journals for the purpose of creating pre-loaded systematic and persistent local copies (not including tran-sient, dynamic caches of individually requested material) for redistribution is prohibited. All rights not expressly granted are reserved to the stated copyright holder of the Online Journal. The Licensee and Authorized Users may not circumvent AIP's access control systems or use AIP's systems or services to make any attempt to gain unauthor-ized access to any other system or network.

AIP shall not be required to distribute, and Licensee shall not redistribute, Scitation or any Online Journal included therein to a country where the export thereof is prohibited by U.S. law or regulation.

6. Duration of License

This License will become effective on receipt by AIP of the License signed by an authorized agent of the Licensee.

This License will terminate:

- a. Following thirty (30) days' prior written notice that any term or condition of this License is violated for any rea-son, knowingly or unknowingly, provided that violation is not remedied with all reasonable haste upon notifica-tion. The foregoing notwithstanding, AIP reserves the right to suspend access to the service immediately upon detecting a breach of this License. AIP will use reason-able efforts to notify the Licensee as soon as possible, usually within three (3) days of any such suspension of service, by sending e-mail to the address you supplied in Section 1.
- b. Following thirty (30) days' prior written notice by AIP of any change in the terms of this License, receipt by AIP of notice from the Licensee in writing, or by e-mail or by fax that the Licensee does not accept such change or changes. (In the absence of any such objection by Li-icensee, AIP's new terms shall apply.)

7. Copyright

Scitation and its content, including the SPIN Database and the Online Journals, are copyrighted by AIP. Scitation and Online Journals are subject to all applicable copyright, database protection and other rights of the stated owner and publisher under the laws of the United States and other countries. Copyright notices in Scitation and Online Journals may not be removed, obscured, or modified in any way. Unauthorized copying or redistribution of any Scitation content is a violation of copyright laws.

8. Failure of Performance

AIP will not be liable for any delay, downtime, transmission error, software or equipment incompatibilities, force majeure or other failure of performance. AIP will use commercially reasonable efforts to correct any material performance problem brought to its attention and may suspend performance pending such correction.

9. Archive Rights of Licensees

The Licensee will be given the option to purchase a physical archive copy, for example a CD-ROM, of the content in the Online Journals, for any year during which this License is in effect. The Licensee will be permitted to copy that content from the physical archive copy to the institution's information systems and redistribute that content to Authorized Users within the Authorized Site. Any hardware or software required to distribute content from the archive copy will be the responsibility of the Licensee. The definitions of Authorized Site, Authorized Users, and allowed and prohibited uses as provided in this License shall otherwise apply to the use of the archive copy. Upon termination of this license, no additional service is provided. Lost or damaged physical archive copies will be replaced with copies in the then-current format for a reasonable fee; otherwise, back issue physical copies in the then-current format will be made available at the then-current pricing schedule.

10. Disclaimer of Warranties; Limitation of Liability; Indemnification

AIP warrants that it is entitled to grant the licenses granted in this License, and is authorized to execute this License on behalf of the publishing customers indicated in Section 1. EXCEPT AS SET FORTH IN THE PRECEDING SENTENCE, AIP MAKES NO WARRANTY OR REPRESENTATION OF ANY KIND, EXPRESS OR IMPLIED, WITH RESPECT TO THE ONLINE JOURNALS AND SCITATION, INCLUDING THEIR QUALITY, ORIGINALITY, SUITABILITY, SEARCHABILITY, OPERATION, PERFORMANCE, COMPLIANCE WITH ANY COMPUTATIONAL PROCESS, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

AIP SHALL NOT BE LIABLE FOR: EXEMPLARY, SPECIAL, INDIRECT, INCIDENTAL, CONSEQUENTIAL OR OTHER DAMAGES, ARISING OUT OF OR IN CONNECTION WITH THE SUBSCRIPTION OR LICENSES GRANTED HEREUNDER, THE USE OR INABILITY TO USE ANY AIP ONLINE JOURNAL, AIP'S PERFORMANCE UNDER THIS LICENSE, TERMINATION OF THIS LICENSE BY AIP OR THE LOSS OF DATA, BUSINESS OR GOODWILL, EVEN IF AIP IS ADVISED OR AWARE OF THE POSSIBILITY OF SUCH DAMAGES. IN NO EVENT SHALL THE TOTAL AGGREGATE LIABILITY OF AIP FOR ANY CLAIMS, LOSSES OR DAMAGES ARISING OUT OF ANY BREACH OR TERMINATION OF THIS LICENSE EXCEED THE TOTAL AMOUNT PAID BY THE LICENSEE TO AIP FOR THE ONLINE JOURNAL SUBSCRIPTION, BUT NOT LESS THAN TWENTY-FIVE DOLLARS

(\$25.00), FOR THE CURRENT SUBSCRIPTION YEAR IN WHICH SUCH CLAIM, LOSS OR DAMAGE OCCURRED, WHETHER IN CONTRACT, TORT, OR OTHERWISE, INCLUDING WITHOUT LIMITATION DUE TO NEGLIGENCE. The foregoing limitation of liability and exclusion of certain damages shall apply regardless of the success or effectiveness of other remedies. No claim may be made against AIP unless suit is filed thereon within one (1) year after the event giving rise to the claim.

The Licensee assumes sole responsibility for all use of Scitation and the Online Journals by the Licensee and by each Authorized User. In the event of a breach of this License by the Licensee or Authorized Users, the Licensee agrees to indemnify and hold AIP harmless from and against any and all claims, liabilities, damages, expenses (including attorneys' fees and experts' costs, penalties and fees, if any, for the enforcement of this License and otherwise for AIP's defense of indemnified claims), losses and threatened losses arising from, or in connection with, that breach, including without limitation, claims of unauthorized use.

11. General

This License constitutes the entire agreement between the parties and supersedes any prior communication between the parties with respect to the subject matter hereof. The headings used in this License are for convenience only and are not to be considered in construing the terms of this License. Subject to termination under Section 6, this License may be amended only by consent (via mail, email, or fax) of both parties. If AIP sends notice to the Licensee of changes in the terms of this License, lack of response by the Licensee within a thirty (30) day period will be taken as acceptance of the new terms. Licensee may not make any changes to this License without written consent by AIP.

The Licensee may not assign or transfer its rights under this License. The provisions of Sections 2, 4, 5, 7, 9, 10, and 11 hereof shall survive any expiration or termination of this License.

This License will be governed by, and construed in accordance with, the laws of the State of New York, applicable to contracts entered into and fully performed in the State of New York.

I have read and agree to adhere to and abide by all the terms and conditions stated herein.

APPENDIX

INSTITUTIONAL IP ADDRESSES/RANGES

Scitation, the AIP online journal publishing service provides IP-address-based access control for institutional Licensees. Each computer that accesses the Internet is assigned an IP address, commonly represented as four number groups separated by dots (e.g., 192.58.150.10). All computers on a local area network, or subnet, may have the first two or three number groups in common. Access to AIP journal(s) from your institution's Authorized Site will be provided based on the IP addresses and/or ranges you provide. (It is recommended that you consult with your network administrator to determine your IP addresses, subnets, and other critical information about your institution's network configuration.) IP addresses for locations other than the Authorized Site will not be accepted under this License; if you are seeking online access for multiple sites, please contact Scitation Customer Service at help@scitation.org or phone 1-800-874-6383.

AIP will accept up to ten IP addresses and/or ranges (Class B, Class C, and single station) via this form (attach additional sheets as necessary). Note that Class B requests will be subject to additional review by Scitation Technical Staff. Please contact Scitation Customer Service Office (see above) if you need to register a proxy or caching server, or if you have any additional questions. You may also consult the AIP Web site (<http://scitation.aip.org/jhtml/registration/myRegistration.jsp>) for additional information on registering for online access.

All information provided regarding your IP addresses will be verified by AIP, and your network contact (which must be provided below) will be contacted if additional clarification is necessary.

Please type your IP addresses or ranges in the following formats [please contact Scitation Customer Service (see above) if you require assistance]:

Class B Network: Enter the first two (network) numbers and use asterisks for the host addresses, i.e., 128.58.*.*

Class C Network: Type the first three (network) numbers and an asterisk for the host addresses, i.e., 192.58.150.* (ranges are acceptable; type 192.58.150.* - 192.58.152.* to indicate Class C ranges)

Single Station(s): Type all four numbers, i.e., 192.40.158.10 (ranges are acceptable; type 192.58.150.10 - 192.58.150.30 to indicate ranges of single stations)
